Subject: see attach public notice date change to CY2018 to 2019

04/08/2019

Good Morning,

As, I was giving the customer Public Notice on arsenic seen it was dated for March 2018 and change to March 2019. FYI, hope this finds the FMCV Water/Sanitation Svc., still in good standing for I called all the office and let them know of the change and will be resubmitting another to offices. See attach the of change. If any question fell free to call office or email.
